Sub : Regarding ABHA id creation of students.

Sir/ Madam,

With reference to the subject cited above, I am to inform you that the Government of India has initiated the Ayushman Bharat Digital Health Mission (ABDM). The goal of this mission is to provide all the citizens of India with a digital health ID that will facilitate easy access to medical records.

ABHA number is a 14 digit number that will uniquely identify you as a participant in India's digital healthcare ecosystem. ABHA number will establish a strong and trustable identity for you that will be accepted by healthcare providers and payers across the country.

In this process, it is very much important that the students of your college get themselves enrolled with the ABHA ID.

Hence, you are requested to fix a date for ABHA enrollment of students and inform us, so that we can facilitate the process. Sri. Kalyan Purkyastha DDM, NHM Karimganj (Mobile:9854058224) may kindly be contacted in this regard.

Further, you are requested to inform the students to bring their AADHAR Card and phone number linked with the AADHAR on that day.

Yours' faithfully

Additional Deputy Commissioner(Health)  
Karimganj, Assam
