**A Report on One Day Training Programme on the use of library
resources for the teaching staff held on 26 August, 2019**

The training project was a follow-up to the orientation programme on **the use of library resources** conducted in the month of January. Both the Principal and the Coordinator outlined the challenges posed due to digitalization in many fields and the way forward. The training was conducted by the Librarian along with subject expert from Computer Science department of Karimganj College. It included practical orientation and attendance to specific problems arising owing to changes engendered by digitalization of the library resources.

**A Report on the One Day Workshop on on the application of
ICT in classroom teaching held on 17th September, 2019**

The well-attended workshop which began sharply at 10:AM was at first addressed by the Principal who brought out the necessity of incorporating ICT in academic life, including classroom teaching, owing to the impact of technology that has proven to be convenient in the modern era. Thereafter the first half of the session was conducted by the faculty of the departments of Computer Sciences and Mass Communication respectively on the theoretical aspects of ICT and its applications, and they emphasized the indispensability of ICT in some of its forms in the Arts and Commerce streams. The second session of the workshop was largely devoted to some hands-on training on the use of ICT including projectors, power-point utilities with live demonstrations.

A Report on "One day Training Programme on Management Capacity Enhancement for Non-teaching staff" held on 7 January, 2020.

The training programme began with a speech from the Principal defining the Management Capacity Enhancement. The Coordinator and other speakers conversant with Management Capacity Enhancement from various departments also explained the fact that management capacity enhancement in the education sector helps to improve the work culture in the office of the institutions as well as other people involved in the process. They also explained the basic definition of Capacity-building which is defined as the process of developing and strengthening the skills, instincts, abilities, processes and resources that organizations and communities need to survive, adapt, and thrive in a fast-changing world and also put emphasis on the need of increasing the level of ability of a person or an organisation to achieve the objectives effectively and efficiently. Altogether 6 Non-teaching staff participated in the programme. The programme ended with a formal vote of thanks from the Co-ordinator IQAC cell.
