

## **MISSION AND VISION OF THE INSTITUTION**

Rabindrasadan Girls' College is one of the leading women-colleges of Assam. Since its inception, the college has been catering to the educational needs of the girl students. With the passage of time many changes have occurred, but the college has retained its mission of imparting education amidst all hardship and hurdles.

The mission of this college is to bring about a Social, Economic, moral and value – based upliftment of the people of various parts of Assam and its neighbouring states, especially people of the districts of Karimganj. As an institution established exclusively for girls we are always conscious of the necessity of education as an important milestone of women empowerment because it enables them to face the challenges, to confront their traditional role and change their life.

Education encourages women especially the rural women to take advantage of the various schemes like Sarva Shiksha Abhiyan, Operation Black-Board, and Total Literacy Programmes etc. The college is firmly committed to the fulfillment of those schemes that cater to the requirements of the present age.
